Slinger, WI 53086

Dear Wendy,

We would like to thank you so much for your sponsorship for our Walk For The Animals. Because of your support we were able to help the animals at WCHS and reach out to many more people. We had a record number of walkers – our figures for the day are still coming in … we had 227 pre-registrants!

Our outreach continues – we are sending our left over goodie bags home with new adoptive families. We will be giving you "blasts" on our Facebook page and continue to help promote your business. When our supporters look for goods and services we love to have them patronize our sponsors … it is a small way that we can give back to you!

We would like to forward a couple of t-shirts to you – if you could please let us know what size you would like and we will get them to you. You can email that information to pr@washingtoncountyhumane.org. We also have other events rapidly approaching: Oktoberfest Beertasting on October 12th and our Festival of Trees on December 7th and 8th – watch our web site for details!

Thank you again for your support – we hope that you will consider supporting us again next year … our event is still in the early stages of being revamped – but we are confident we will reach many more households next year!

Sincerely,

The Walk For The Animals Committee
