

Family-Owned and Operated Vehicle Repair Since 1998

Joe has always had a passion for fixing things. From his early days tinkering in his dad's woodshop, to taking small engine and shop classes in high school, he has always enjoyed making things work. Growing up in a small town, Joe understands the value of community. He actively supports local events and activities in Slinger, and the surrounding areas.

With over 75 years of combined experience in vehicle repair and maintenance, Joe and his team are known for their honest service and solid warranty. They work on all makes and models, with a particular expertise in fleet vehicles. You can rely on Joe's for keeping your personal and business vehicles safe and reliable on the road. We value our customers and look forward to seeing you soon.

Testimonial

I have been taking my SUV to Joe for over 5yrs now. As a woman, it's nice to have a auto repair shop you can trust to be honest and fair. They offer a diagnostic review of you vehicle that they text you, this is great! Added bonus, their waiting room is clean and inviting if you need to hang out and have a cup of coffee during your oil change! I highly recommend Joe's!
